

Superior Farms Equipment is a worldwide manufacturer and distributor of air seeding, tillage, and hay hauling equipment that operates the brands Morris Equipment Ltd, Rite Way Mfg Co Ltd, and ProAg.

We are recruiting to fill a full time Manufacturing Engineer to join our team in our manufacturing facilities in **Minnedosa, MB.**

The **Manufacturing Engineer** is responsible for all engineering aspects and other related duties regarding the day-to-day operations and continuous planning for development of the plant's facilities, equipment, and fabrication processes. The Manufacturing Engineer is also the first point of contact at the facility for Quality Assurance related activities.

The successful candidate must have a Degree in Mechanical Engineering or Industrial Engineering. Must possess excellent management, planning, organizational, communication and interpersonal skills. Experience in metal fabrication is required, along with computer literacy in Windows, word processing, spreadsheets, AutoCad and 3D CAD Programs. Knowledge of current dry-land farming practices and tillage equipment technology are a definite asset.

Come join our team!

We Offer:

- Competitive Compensation
- Company-matched pension plan
- Health & Dental Benefits
- Life Insurance
- Short & Long Term Disability Insurance

Interested candidates are asked to submit a cover letter and resume no later than **November 28th, 2025.**

Attention: Human Resources

E-Mail: careers@morrisequipment.ca

****Apply early as recruitment for this position is ongoing and may be filled prior to the closing date.**

****Candidates must be legally entitled to work in Canada**

We thank all applicants who apply, however only those selected for an interview will be contacted.
